*These instructions will also work for
audiobooks. Instead of the Adobe
EPUB, look for the OverDrive MP3
AudioBook format.*

Install the OverDrive® Media Console™ app

If you have already installed the app, you can skip this section.

There are several different ways to get the OverDrive Media Console app.

You can search and download the app for free from the app stores compatible with your device:

- Apple® App Store™
- Android Market
- Mobihand™/AppWorld™
- Windows® Marketplace

Or, you can go to <http://www.overdrive.com/software/omc/>

Authorize your software

If you have already authorized your device, you can skip this section.

1. Once you have downloaded the OverDrive Media Console app, open up the app. Open up “Settings” and navigate to the “Authorize” section.
2. Enter the e-mail address and password for your Adobe ID. If you do not have an Adobe ID, follow the instructions to sign up for an Adobe ID.
3. Choose “Authorize.”

Add Hudson Library to Your App

If you have already set the Hudson Library to your app, you can skip this section.

1. Open the OverDrive Media Console app.
2. Select the “Get Books” option (usually at the bottom of the screen).
3. Choose “Add a Library” (or “Add a Website”)
4. Enter “44236” in the search box and press “search”
5. Hudson Library should appear at the top of the screen. Below Hudson, you will see CLEVNET Library system. On some devices, you can press the “star” to add Hudson to your favorites.
6. Choose the “CLEVNET” library system under Hudson to navigate to the OverDrive catalog.

Search and download an item from the eMedia catalog

1. Open the OverDrive Media Console app and select the “Get Books” at the bottom of the screen.
2. You will be directed to the CLEVNET eMedia catalog.
3. If a title is available, you will see an “Add to SelectList” link next to the Adobe EPUB eBook format option.

4. To select an available book, click on “Add to SelectList.” To continue browsing, choose “Continue Browsing” or to check out, click on “Proceed to Checkout.”

7. Enter your library card number and click “Login.”
8. The checkout screen will verify the title, lending period, and format. On this screen, you can adjust the lending time. When you are finished, press the “Confirm Check Out” button at the bottom of the screen.
9. Click on “Download.” When you download a title, OverDrive Media Console will open automatically.
